

ACCOMMODATION INFORMATION CAMPUS FURTWANGEN

Please be aware that HFU cannot book a room for you. You have to apply directly to the respective dormitory or landlord.

SWFR dormitories

Dormitories run by the Studierendenwerk Freiburg-Schwarzwald (SWFR), a state-run non-profit organization for student affairs and reliable provider of student living.

You can find more information about the available rooms as well as the [online application](#) here:

We will forward a list of our exchange students to the SWFR, but we will not make a reservation for you.

You have to apply for accommodation yourself. Your application at the SWFR will be prioritized if your name is on the list.

However, it cannot be guaranteed that your application will be successful.

Please let us know if you do not want us to forward your name to the SWFR.

The renting period for all rooms is 1 semester / 6 months. All rooms are furnished and come with internet access.

You will have to pay a deposit (400 – 500 Euro) together with your first rent. So please make sure you have enough money upon your arrival.
