

VisaFlow Platform

is a digital platform and supportive tool that guides you through the process of visa applications, residence-permit renewals and settling-in procedures for internationals in Germany. By following the checklist in the right order, you always know what to do and nothing gets missed.

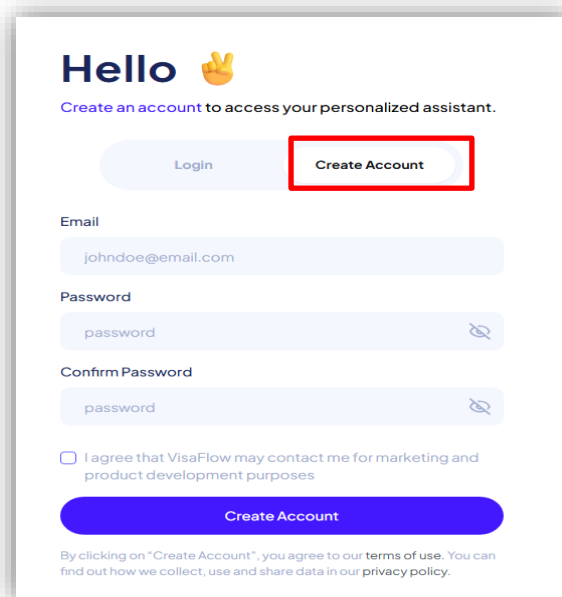

At this platform you will also find relevant information about health insurance, blocked account, bank account, travel health insurance, telecommunication and housing in Germany, to make your settling-in process smoother.

Please note: *VisaFlow is an external service provider. It does not replace official or legal advice. It is intended solely as a guidance tool and strives to provide accurate information.*

How to Register for the VisaFlow Platform

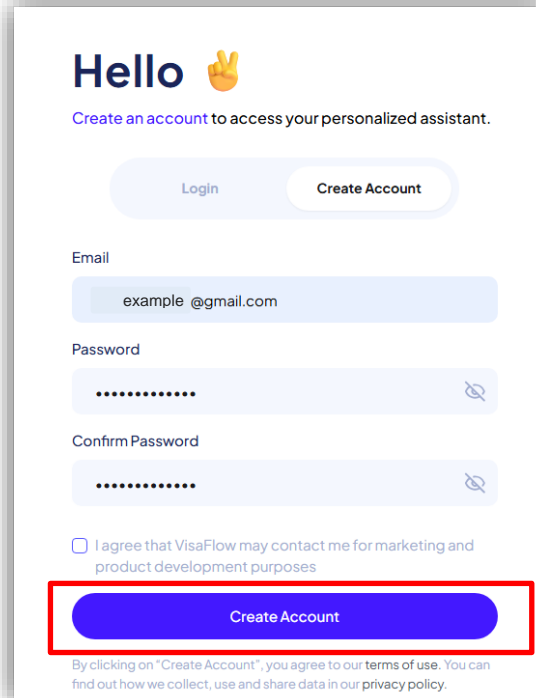

➤ To access the VisaFlow platform, you will first need to create an account. Follow these simple steps:

1. Click on [Sign up | VisaFlow](#)
2. Select the top option: **Create Account**.
3. Enter your E-Mail address and choose a password you would like to use for the platform.

The screenshot shows the VisaFlow registration interface. At the top, it says 'Hello' with a hand icon. Below this, it prompts the user to 'Create an account to access your personalized assistant.' There are two buttons: 'Login' and 'Create Account'. The 'Create Account' button is highlighted with a red rectangle. Below the buttons, there are input fields for 'Email' (containing 'johndoe@email.com'), 'Password' (containing 'password'), and 'Confirm Password' (containing 'password'). Each password field has an eye icon to toggle visibility. Below the input fields, there is a checkbox labeled 'I agree that VisaFlow may contact me for marketing and product development purposes'. At the bottom, there is a large blue 'Create Account' button. Below the button, there is a small disclaimer: 'By clicking on "Create Account", you agree to our terms of use. You can find out how we collect, use and share data in our privacy policy.'

4. Click on **Create Account**.
