

STUDENTENSTATISTIK

Sommersemester 2016

| Inhalt | Seite |
|--|-------|
| ■ Gesamtzahl der deutschen und ausländischen Studenten und Studentinnen (Haupt Hörer ohne Beurlaubte) | 1 |
| ■ Anzahl der Studenten und Studentinnen (ohne Beurlaubte) in den Studiengängen und Lehrplansemestern | 2 |
| ■ Anzahl der deutschen und ausländischen Studierenden (ohne Beurlaubte) in den Studiengängen und Lehrplansemestern | 3 |
| ■ Anzahl der Studierenden in den Studiengängen, Vertiefungen/Schwerpunkten und Lehrplansemestern | 4 |
| ■ Anzahl der Studierenden in den Fakultäten, Studiengängen und Lehrplansemestern | 5 |
| ■ Anzahl der Exmatrikulationen im Wintersemester 2015/2016 unterteilt nach Studentinnen und Studenten in den Studiengängen und Vertiefungen/Schwerpunkten | 6 |
| ■ Haupt-, Hilfsanträge, Zulassungen, Annahme- u. Immatrikulationsverhalten, unterteilt nach Bewerber und Bewerberinnen in den Studiengängen und Vertiefungen/Schwerpunkten | 7 |
| ■ Vorbildung (HZB) der Studienanfänger | 8 |
| ■ Vorbildung (HZB) der Gesamtheit der Studierenden | 9 |

Gesamtzahl der deutschen und ausländischen Studenten und Studentinnen (Haupt Hörer/innen ohne Beurlaubte)

| | männlich | weiblich | Summe |
|---------------------------------|----------------------|----------------------|-----------------------|
| deutsche Studierende | 3354 53,7% | 1948 31,2% | 5302 84,9% |
| ausländische Studierende | 528 8,5% | 416 6,7% | 944 15,1% |
| - Bildungsausländer/innen | 306 4,9% | 262 4,2% | 568 9,1% |
| - Bildungsinländer/innen | 222 3,6% | 154 2,5% | 376 6,0% |
| Summe: | 3882 62,2% | 2364 37,8% | 6246 100,0% |

M: männlich Hinweis: Die Studiengänge Elektrotechnik in Anwendungen, Industrial Automation and Mechatronics, Industrial Manufacturing, Industrials Materials Engineering, Industrial MedTec, International Business Management (Bachelor und Master), International Engineering und Information Communication Systems nehmen nur zum Wintersemester Studienanfänger auf. Die Masterstudiengänge Advanced Precision Engineering, Biomedical Engineering, Design Interaktiver Medien, International Management, Medical Diagnostics Technologies, Medieninformatik, Mikromedizin, Mobile Systeme, Nachhaltige Bioprozesstechnik, Sales & Service Engineering und Technical Physician nehmen in der Regel nur zum Wintersemester Studienanfänger auf.

M: männlich Hinweis: Die Studiengänge Elektrotechnik in Anwendungen, Industrial Automation and Mechatronics, Industrial Manufacturing, Industrials Materials Engineering, Industrial MedTec, International Business Management (Bachelor und Master), International Engineering und Information Communication Systems nehmen nur zum Wintersemester Studienanfänger auf. Die Masterstudiengänge Advanced Precision Engineering, Biomedical Engineering, Design Interaktiver Medien, International Management, Medical Diagnostics Technologies, Medieninformatik, Mikromedizin, Mobile Systeme, Nachhaltige Bioprozesstechnik, Sales & Service Engineering und Technical Physician nehmen in der Regel nur zum Wintersemester Studienanfänger auf.

*) immatrikuliert = Studienanfänger 1. Semester
